Memorandum of Understanding
Between

Emperor Solutions Pvt. Ltd. Indore, India
"Consistently Delivering Quality Solutions"

&

Malwanchal University, Indore

PREAMBLE

This **Memorandum of Understanding (MOU)** on the**01st day of April2020** is entered into by and between:

1. **Emperor Solutions Pvt. Ltd.,** a company incorporated under Indian Company Law, a Private Limited Company, hereinafter referred as **"ESPL"**, at Indore with a principal place of business with address for purposes of this Agreement at **B-406,Prakrati Corporate, 18/2, Y.N. Road, Indore - 452003 (Madhya Pradesh),India.**
   mail@emperor-solutions.com,www.emperor-solutions.com

and

2. **Malwanchal University**, a University incorporated under the Indian Law, a Private University, hereinafter referred as "**MU**", at Khudel, Indore with a principal place of business with address for purposes of this Agreement at Indore **www.malwanchaluniversity.com**

RECITALS

WHEREAS, ESPL and **MU** wish to have an association together for the purpose of Accsoft2.0 software implementation and service support(namely: **ACCSOFT2.0, An-ERP Software Solution** for Education University which is developed and owned by **ESPL**).

NOW, THEREFORE, in consideration of the mutual covenants and **MOUs** herein contained, the parties hereto, intending, to be legally bound, agree as follows:

MU AND ESPL AGREES AS FOLLOWS:

Following would be the roles and responsibilities of **ESPL** and **MU**:

• **Technical Responsibility:**

ESPLshallbe responsible for software implementation in **MU**with product's technical and domain knowledge.

ESPLshall be primary implementer of its**Software Solution** which can be implemented remotely; whereas **MU** shall lead the technical team on-site.

ESPL shall do customization and give training to **MU**team on **ESPL's**Software Solution.
- **Management Responsibility:**

During the project, **MU** shall assist **ESPL** in the project life cycle (i.e. Requirement, process flow till deployment). **MU** shall ensure payment to **ESPL** is made as per the schedule, terms and conditions mutually decided between **MU** and **ESPL the (details shall be described in the work order)** that shall safe guard the interest of **ESPL**.

There shall be one point of contact each between **MU** and **ESPL** for the whole operation from inception till execution till the **MOU** is valid.

MU and **ESPL** shall work together in requirement, process flow and in implementation of the software.

TERMS AND CONDITIONS:

1. **ESPL** shall not solicit employment or advise of any of the **MU's** existing employees or consultants or any person who was employed by **MU** within one year prior to such solicitation or any person or organization providing services to or through **MU** to terminate his or her **MOU** or relationship with **MU** and/or to accept any **MOU** (directly or indirectly) or other arrangement for providing services to any other person or organization and vice versa will be applicable for the MU as well.

2. During the period of **MOU**, **ESPL** shall ensure neither to disclose contacts of **MU**, including existing and expected nor have direct/indirect dealing with them in any form of communication (technical as well as commercial).

3. **MU** shall be considered as **Client/Customer** of **ESPL in India**.   Under any circumstances, **ESPL** shall not be liable for any disputes with **MU** for the agreed software solutions or received work order from MU. Whereas **ESPL** shall be liable for the product delivered to **MU** as per work order.

4. Payment Terms: **MU** will pay to **ESPL** as per the terms of payment proposed. Any payment delays by the **MU** will affect the work progress agreed upon in the contract.   .

5. **Reimbursement to ESPL** shall be made as under:
   a. Software/License/Module payment to be made to **ESPL. Full software package price estimation is as per the Annexure no.-01.**
   b. Payment for Customization Service to be made to **ESPL (based on Statement of Work)**
   c. Payment for Maintenance Service to be made to **ESPL (based on Statement of Work)**

6. Development and customization related activities will be carried out at **ESPL** office and the workshop, training will be carried out at client's premises for the same.

7. **ESPL** shall provide its software deployment at university premises located server owned by **MU**.

8. **EMPLOYEE SOLICITATION/HIRING**
   During the period of this **MOU**, neither party shall directly solicit or offer employment to or hire any Employee of the other party.

9. **ESPL** will do customization only when the technical person from **MU** will understand and approve it, without changing the structure of the database and software package.

Accsoft2.0 has the following communities including:

1. Management Community
   Management can view each department report from dashboard.

2. Admin Section Staff Community
   Role and rights based software online accessibility.

3. Academic Section staff Community
   Role and rights based software online accessibility,
   Student information
   Student Communication
   Library Search
   Leave Application & approval.

4. Student/Parent Community
   4.1   Notice Board
   4.2   Communicate
   4.3   Attendance
   4.4   Result
   4.5   Assignment
   4.6   Examination Schedule
   4.7   OPAC (Online Public Access Catalog)
   4.8   Book Circulation & Fine
   4.9   Fees Due, Receipt & Ledger
   4.10   Bus Stop & Route
   4.11   Holiday List
   4.12   Enrollment form
   4.13   Exam Form
   4.14   Admit card
   4.15   Degree registration
   4.16   Course/Semester registration

5. Technology Framework
   The Accsoft2.0 technology framework for University automation provides effective technology option to the users. This facilitates the effective utilization

of the existing technology infrastructure of an University, thus limiting the incremental cost of ownership of the solution.

Front End: Microsoft Asp.Net 4.0
Back End: Microsoft SQL server 2008
Operating System: Windows 2008 and above

CONFIDENTIALITY / TRADE SECRETS

a. **ESPL** acknowledges that by the very nature of the engagement with **MU**, it shall become aware of **MU's** trade secrets and confidential information(including but not limited to development technologies). **ESPL** acknowledges that all such information shall be used by **ESPL** only to perform the services of the project for the specific client(s) (agreed with **MU**) and such information shall not be used for any other purpose. **ESPL** and **MU** shall, in no manner, reveal or disseminate such information to any third party. **ESPL** and **MU** understand that such trade secrets and confidential information shall include all past, present and/or future plans, provisions, designs, forms, formats, procedures, methods and other information relating to **MU's** and **ESPL's** technology, technical data, products, research and development programs, financial and marketing data and other technical and business information, products and subproducts.

b. **MU** and **ESPL** understand that both the parties are in a very competitive industry where confidential information and trade secrets are extremely valuable and important. **MU** and **ESPL** or its Consultant(s) may become familiar with certain business, methods, procedures, processes and other manners by which they transacttheir business. **MU** and **ESPL** hereby agree that neither they nor any of their personnel shall use any of such information, directly or indirectly for its or their own benefit nor shall they disseminate such information to any third party for any purpose whatsoever in any way, related to each other's intellectual property.

SCOPE OF OBLIGATIONS

These obligations of confidentiality shall remain enforced during this **MOU**&shall extend for a period of 24 months after the termination of this **MOU**.

This **MOU** states that the entire **MOU** between both the parties (incorporating herein all prior discussions, promises, representatives, and/or **MOUs**, whether written or oral, by or between the parties) and, as such, can only be further amended in writing

signed by both the parties. Any provision of this **MOU**, which is ruled to be void or invalid under law by an arbitrator or court of law, shall not impair the operation of, or have any other effect upon, the other Provisions of this **MOU** which shall remain in full force and effect. Both the parties agrees that if the invalidity or unenforceability of any provision is due to the unreasonableness, then such provision shall nevertheless be enforced to the maximum extent permitted by law and shall be effective for such period of time and for such area as may be determined to be reasonable by a court of competent jurisdiction. **MU** and **ESPL** each acknowledges and agrees that this **MOU** may be executed originally sealed and signed in counterparts.

GOVERNING LAW

Courts in Indore, India shall have sole jurisdiction in any dispute arising regarding the construction and application of this **MOU** terms, which shall be determined in accordance with the Indian Law.

DURATION AND COMING TO FORCE

This **MOU**shall become effective on **01st April,2020** and shall remain in force for one calendar yearuntil and unless terminated by either party within the validity period for this MOU.

TERMINATION OF MOU

MU or **ESPL** each may terminate this **MOU**; each party shall have the right to terminate this **MOU** by a prior written notice of 180 calendar days to the other party.

SIGNATURE

Each party represents and warrants that on this date they are duly authorized to bind their respective principals by their signatures below.

IN WITNESS WHEREOF, the parties have executed this MOU on the dates set forth first above, with full knowledge of its content and significance and intending to be legally bound by the terms hereof.
