Remedial Classes time table for MBBS 1st Prof. Slow Learners for
session 2021-22

Date	Day	Time	Department	Topic
01/08/22	Monday	1.00-1.45pm	Anatomy	Abduction of shoulder joint
03/08/22	Wednesday	1.00-1.45pm	Anatomy	Inguinal canal & hernia
05/08/22	Friday	1.00-1.45pm	Anatomy	Circle of Willis
08/08/22	Monday	1.00-1.45pm	Physiology	Cardiac cycle
10/08/22	Wednesday	1.00-1.45pm	Physiology	Heart block
12/08/22	Friday	1.00-1.45pm	Physiology	Humoral immunity
16/08/22	Tuesday	1.00-1.45pm	Biochemistry	Protein & its structures
17/08/22	Wednesday	1.00-1.45pm	Biochemistry	RNA & DNA
20/08/22	Saturday	1.00-1.45pm	Biochemistry	Vitamin B12
22/08/22	Monday	1.00-1.45pm	Anatomy	Carotid sheath
24/08/22	Wednesday	1.00-1.45pm	Anatomy	Thyroid gland
26/08/22	Friday	1.00-1.45pm	Anatomy	Anterior triangle of neck
29/08/22	Monday	1.00-1.45pm	Anatomy	Temporomandibular joint
30/08/22	Tuesday	1.00-1.45pm	Anatomy	Development of tongue
02/09/22	Friday	1.00-1.45pm	Anatomy	Blood supply of long bones
05/09/22	Monday	1.00-1.45pm	Physiology	Erythropoiesis

Registrar
Malwanchal University
 Indore (M.P.)

07/09/22	Wednesday	1.00-1.45pm	Physiology	Gastric juice
09/09/22	Friday	1.00-1.45pm	Physiology	Dissociation curve
12/09/22	Monday	1.00-1.45pm	Biochemistry	PUFA
14/09/22	Wednesday	1.00-1.45pm	Biochemistry	MUFA
16/09/22	Friday	1.00-1.45pm	Biochemistry	Electron transport chain
19/09/22	Monday	1.00-1.45pm	Anatomy	Waldeyers' ring
21/09/22	Wednesday	1.00-1.45pm	Anatomy	Brachial plexus
23/09/22	Friday	1.00-1.45pm	Anatomy	Histology of thyroid gland

Assignment for Slow Learners, Batch 2021-22

Long questions

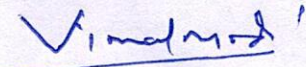

- Q.1) Describe Brachial plexus in detail
- Q.2) Describe Hip joint in detail
- Q.3) Describe Development of Uterus and its congenital anomalies
- Q.4) Describe inguinal canal & hernia in detail
- Q.5) Write in detail about posterior triangle of neck

Short answer questions

- Q.1) Floor of the Fourth ventricles
- Q.2) Soft Palate muscles and its nerve supply
- Q.3) Synovial joints
- Q.4) Carotid Sheath
- Q.5) Histology of pancreas

NOTICE

The result of internal exam has been notified on the departmental notice board. The slow learners (those who had not qualified to score $\geq 40\%$) are directed to write down the answer of following questions in practice journal/ or separate notebook. This task is to be completed up to 14/1/23.

The students are instructed to report to the teacher allotted as per the separate notification after completion of the task.

1. Long answer questions-

- i. Classify Beta blockers. Write uses and adverse effects of beta blockers
- ii. Classify Antiepileptics on the basis of mechanism of action. Write a short note on Sodium Valproate.
- iii. Classify antimicrobial drugs on the basis of mechanism of action and write uses and adverse effects of aminoglycosides.
- iv. Classify drugs used in Hypertension. Compare and contrast ACEI and ARB on the basis of mechanism, A/E, and uses.
- v. Enumerate the contraindications and therapeutic indications of corticosteroids

2. Short answer questions-

- i. Classify drugs used in Bronchial Asthma. Explain advantages of inhalational corticosteroids in management of Asthma.
- ii. Bioavailability and factors affecting it.
- iii. Drugs used in the management of Peptic ulcer.
- iv. Mechanism of action and uses of Prokinetics.
- v. Compare and contrast Loop and Thiazide diuretics

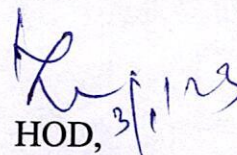

3. Very short answer questions-

- i. Enumerate uses of – Atropine, Adrenaline, Neostigmine, Prostaglandins, Nitroglycerine, Metformin, SGLT2 inhibitors, Chloroquine, Metronidazole
- ii. Enumerate specific A/E of- Morphine, Metoclopramide, Spirinolactone, Aspirin

Dean
Index Medical College,
Hospital & R.C., INDORE

Registrar
Malwanchal University
Indore (M.P.)

- iii. Enumerate the drugs of different class in the management of-
Methanol Poisoning, Organophosphorus poisoning, Neuropathic pain,
Major depression
- iv. Write the basis of combination of: (a) Amoxicillin-clavulanic acid (b)
Levodopa and Carbidopa
- v. Describe (a)ORS & super ORS (b) Chelating agent (c) Lidocaine

NOTICE

The result of 1st Internal Assessment exam has been notified on the departmental notice board.

The slow learners (those who have scored $\leq 10\%$) are directed to write down the answers to the following questions in practice journal or separate notebook.

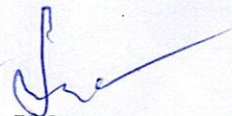

The students are instructed to report to the teacher allotted as per the separate notification after completion of the task.

A. Long answer questions-

- Q.1 Enumerate the complications of Chronic gastritis. Write note on peptic ulcer disease.
- Q.2. Define and classify shock. Describe pathogenesis of septic shock .
- Q. 3. Write a note on Iron Deficiency Anemia.
- Q. 4. Define emphysema. Write classification and pathogenesis of same.
- Q. 5. Write in detail about four types of Hypersensitivity reactions.

B. Short answer questions-

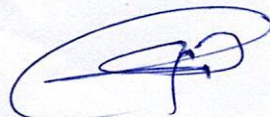

- Q.1. Differentiate between complete and partial mole.
- Q. 2. Write note on DM.
- Q. 3. Write a note on Cirrhosis.
- Q. 4. Discuss fate of thrombus .
- Q. 5. Explain Bronchial Asthma.

Criteria for Slow Learners.

23-07-2022

1st internal examination was conducted by the Department of Microbiology for 2nd prof. MBBS students.

On evaluation, it was observed that few students scored marks below 20%. Students who scored ≤ 20 are identified as slow learners and are directed to write down answers to the following questions in a separate notebook.

The students are instructed to report to the teacher allotted as per the separate notification after the completion of the task.

A. Long Answer questions.

1. Describe the morphology of bacterial cells under the following headings.
 - a. Cell wall
 - b. Capsule
 - c. Flagella.
2. Define and classify the sterilization method. Draw a neat labelled diagram of a hot air oven. Add a note on sterilization controls.
3. write the indications for diagnosis of bacterial infections. Explain how the samples are processed in the laboratory for diagnosis of bacterial infections.
4. Enumerate Antigen-antibody reactions. Explain various ELISA methods in detail.
5. Differences between bacteria and viruses. How viruses are cultivated in the laboratory?

B. Short answer questions.

1. Contributions of Louis Pasteur.
2. Bacterial growth curve
3. Morphological classification of fungus.
4. Differences between enriched and enrichment media.
5. Horizontal gene transfer mechanisms.

Slow learners & Remedial measures

Internal examinations are the criteria for the assessment of learning levels of the students. The result is displayed and students with <25% marks are identified as slow learners. They are provided with extra guided assignments of uplift them.

The slow learners are directed to write down the answer of the following questions in practice journal/ or a separate notebook.

I. Elaborate on:

1. Define Corneal ulcer give its classification , etiology, pathogenesis, signs symptoms and management of corneal ulcer?

II. Write notes on:

- 1) Post operative complications of cataract surgery.
- 2) WHO grading system for Vitamin A deficiency.
- 3) Describe briefly stages of Diabetic retinopathy.
- 4) Describe lacimal apparatus
- 5) Enumerate layers of Retina

III. Short answers on:

1. Two investigations for blunt trauma.
2. Two differences between paralytic squint and concomitant squint.
3. Two tests to evaluate visual fields.
4. Two treatment modalities for posterior capsular opacification.
5. Action and nerve supply of extraocular muscles.

The dead line for the submission of their write up for further discussion is provided.

SLOW LEARNERS

PAPER II

I. Elaborate on: (1 x 10 = 10)

1. Define CSOM, describe its classification, etiopathogenesis and its complication.

II. Write notes on: (5 x 4 = 20)

1. Cardinal features of tonsillitis.
2. Management of case of epistaxis.
3. Function of middle ear.
4. Management of case of foreign body esophagus.
5. Function of tracheostomy.

Short answers on: (5 x 2 = 10)

1. Tuning fork test
2. Stages of ASOM
3. Management of alive foreign body in ear
4. Nerve supply of larynx
5. Define stridor

CRITERIA: Theory and practical examination were conducted for students and marks were compiled and criteria for advanced learners was set for students < 40 % (48 Marks).
