B. MALWANCHAL UNIVERSITY, INDORE

Malwanchal University situated in Indore, currently has institutions in various disciplines and professional fields.

Vision: Malwanchal University sets the standard for high quality sciences and liberal arts education. We impart world class knowledge, training and professional experience to students and professional interested in making a career in Health and Technical Sciences, and other subjects related to humanities. For this, we are committed towards creating and sustaining the conditions that enable students to experience an unparalleled educational journey that is intellectually, socially and personally transformative and wedded to human values.

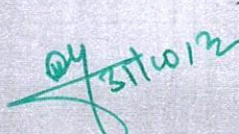

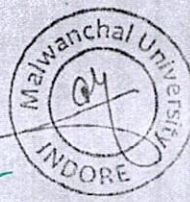

Mission: The mission of Malwanchal University is to provide quality education and training in all its courses with the state of art infrastructure. We educate the citizens and citizen-leaders of our society. We do this through our commitment to the transformative power of education. Beginning in the classrooms with the exposure to new ideas, new ways of understanding and new ways of knowing, students embark on a journey of intellectual transformation. Our systematic working of constituent units ensures good working conditions and helps students and staff in their academic performance. We expose our students to rural and urban societies so that they may interact at the ground level and relate their education and expertise with the need of the society. For this, we encourage their frequent interactions with the world outside the campus. From this we hope that our students will begin to fashion their lives by gaining a sense of what they want to do with their gifts and talents, assessing their values and interests and learning how they can best serve the world.
