**Report on UG Orientation Program -2017**

1st year BDS (admission batch 2017-18) Orientation ceremony was conducted with grandeur for students and parents. Shri Suresh Singh Bhadoria, Hon'ble Chairman, Index Group of Institutions graced the occasion with his presence and blessings. Mr. N.K.Tripathi, Hon'ble Vice-Chancellor, Malwanchal University, Indore addressed the gathering with his words of experienced wisdom.

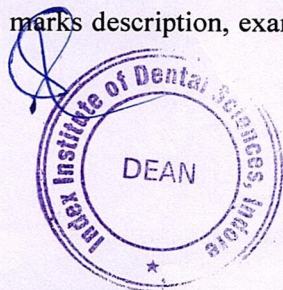

Dr. B.M.Srivastav, Ex-Dean, Govt. College of Dentistry, Indore & Prof., Dept of Oral Surgery, Honorable Chief Guest provided his insights on the occasion being a seasoned orator and teacher in the field of dentistry. Dr. Priyank Banthia, Dean, IIDS highlighted the essential ingredients that make an efficient student and eventually a successful professional. He welcomed the students with great enthusiasm and expressed the hope that the students would work hard and efficiently under the able teaching faculty of the institution.

Ms. Chitra Khirwadkar, Administrator, IMCHRC, said words wisdom to the audience. Respected dignitaries including Dr.Sanjeev Narang, Pro-Chancellor, Malwanchal University and Professor, Dept. of Pathology, IIDS; Dr.M.Christopher, Registrar, Malwanchal University, Dr. Vineet Gohiya, Controller of Examination, Malwanchal University, Dr.Reshma Khurana, Principal, Physiotherapy and Paramedical Section.

Dr. Bhanu Chugh, Incharge, Cultural Committee & Senior Lecturer, Dept of Oral Pathology, IIDS, was the Master of Ceremony. She outlined the cultural activities of the institution to the audience. Dr. Kundendu A.Bishen, Incharge, Academic Section, & Prof. & HODS, Dept of Oral Pathology, IIDS spoke about the essential academic insights that the students must be aware of. He assured the parents that they would be updated about their ward's progress periodically.

Dr. Hemani Sukhija, Incharge, Examination Section & Reader, Dept of Oral Pathology, IIDS gave descriptive and crisp information about what are the "must know" points for students for success in examinations describing the basic information with regard to examinations. Schematic representation of examination pattern, marks description, exam going subjects, etc. were described crisply yet with

Dr. Pally

Registrar  
Malwanchal University  
Indore (M.P.)

clarity from the point of view of students and parents. She mentioned that examinations are conducted as per DCI regulations and guidelines. Being the Incharge of Official Website Update Section, she informed the audience that the official institutional website is regularly updated.

Dr. Pranav Parashar, Incharge, Antiragging cum Disciplinary Committee & Reader, Dept. of Oral Surgery, IIDS assured that "zero tolerance to ragging" in the campus is enforced 24x7. He mentioned that the committee will be always be available for any problems that the students face which would be minimal as preventive measures are taken by the institution in accordance with the DCI rules.

Dr. Rashmi Rai, Incharge, Official Facebook Update Section & Senior Lecturer, Dept. of Public Health Dentistry, IIDS outlined that the official institutional facebook page updated regularly. She stated the importance given in our institution to scientific and continued educational programmes on behalf of Dr. Magesh Kumar, Incharge, Scientific Committee & Prof., Dept. of Periodontology, IIDS.

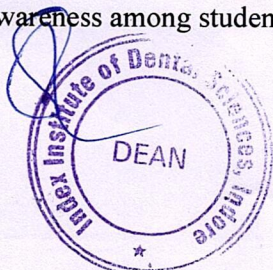

Dr. Utpal Mazumdar, Prof. & HOD, Dept. of Oral Surgery, IIDS presented the vote of thanks and through his friendly expression brought smiles to the faces of the audience.

The event was attended by students, their parents and teaching faculty representing all subjects. The 1st year BDS classes commenced with effect from the day of Orientation Ceremony. The classes of students admitted to 1st year BDS course (2017-18) were commenced on the same day, i.e. 3rd.Oct.,2017.

Event objectives:

- To bridge the gap between students and faculties.
- To aware the students about the college culture and inform the students about the code of conduct.
- To prepare the students about their career goal and how to work on it.
- To develop their skills.
- To create awareness among about the various co-curriculars and extra activities helps the students for their overall development.
- To create awareness among students about the professional etiquettes.

Dr. Rolly.

  
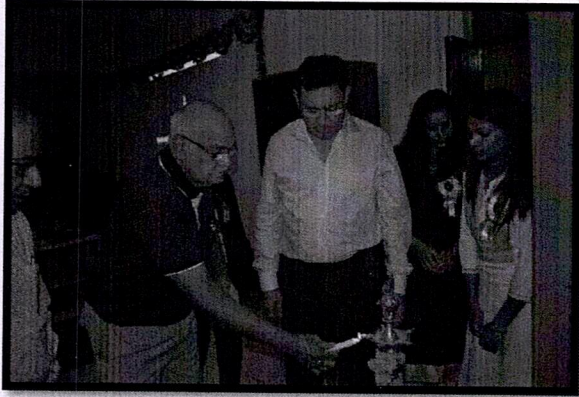

Registrar  
Malwanchal University  
Indore (M.P.)

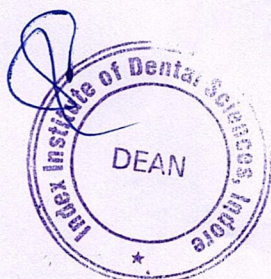

- To promote the students for enhancing their skills and learn about the various innovative ways to enhance their career.

Thus with this marked the end of the orientation programme embracing students on a new journey.

**INDEX**  
**DEPARTMENT OF PHYSIOTHERAPY AND PARAMEDICAL SCIENCES**  
**INDUCTION CEREMONY**

10/07/2019/45

Index department of physiotherapy and paramedical sciences inducted its latest batch of students of physiotherapy, BMLT, DMLT and organized an Orientation Program for the new entrants on September 6, 2019. Welcoming the new students Principal Dr. Reshma Khurana gave a brief of the College and highlighted the achievements, awards won by the students. The students were then briefed about the rules and regulations of the Institute and the University norms, hostel norms and the placement process Malwanchal University.

Mr. Suresh Singh Bhadauriya Jii, Chairman, Malwanchal University presided over the function. Dr. Reshma Khurana Mam, Principal of Index Department of Physiotherapy and Paramedical Sciences asked the parents, not to shed their responsibility once their wards have joined the professional course. But rather keep a continuous tab on their wards' academic progress. She further mentioned that, together with the parents and the College, we can bring success in each of the student's future.

About Induction Program:

Change is inevitable. Transition period is always tedious. So is the transition for students from their pre-university academics to professional curriculum. After rigorous training and planning required to join a professional college, code of conduct for the students and ethical rules and regulation of students deserve time to unwind themselves to forge new relations with fellow students and familiarize themselves with the new environment. Induction program helps in making students of first year feel comfortable and follow all the provided code of conduct for the students.

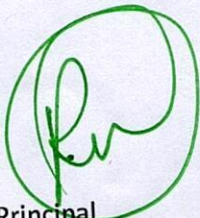

24  
Registrar  
Malwanchal University  
Indore (M.P.)

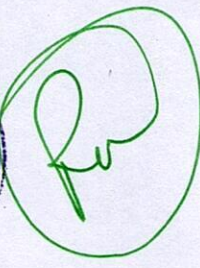

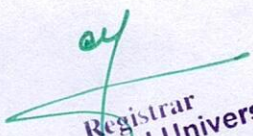

creating opportunities to showcase their talents and interests and shape their character. An induction programme is a harbinger of various in-campus & off-campus activities specially designed for entrants to fill the gap. Induction Program is a beautiful combination of literary activities, cultural activities, personality development activities, Universal Human Values sessions, sports and many more. Index department of physiotherapy and paramedical sciences, believes that there are two main aspects leading to good education, a supportive, nurturing environment .

The Induction program served as a strong foundation for the first year students for beginning their four years long journey. It began with the conduction of the orientation program in small batches so that the program would be effective.

### Report on PG Orientation & Training Programme - 2020

Post Graduate Orientation & training program was conducted by Index Institute of Dental Sciences for the newly admitted batch 2020 MDS post graduation students with the inauguration session on 5<sup>th</sup> October, 2020 followed by a series of enhancing lectures on different topics in the Lecture hall no. 1 of Index Institute of Dental Sciences, Malwanchal University, Indore. The objective was to provide the new students with detailed knowledge about the university system and courses.

On the inaugural day of the program, the students were oriented and encouraged to bring the best of them and to flourish drastically with the help of the institute in their particular specialties.

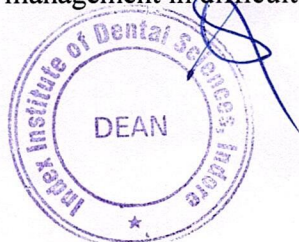

First day (5<sup>th</sup> October, 2020- Monday) introduction to the Alma Mater was of utmost importance and hence the PGs were addressed by the Vice Chancellor of Malwanchal University, Shri N. K. Tripathi about the university and its prospects.

Dr. Satish karandikar on the do and don'ts as a PG in and outside the campus. The Dental ethics, hospital policies with respect to attendance, punctuality, how to behave and the rules and regulations were also briefed. The importance of patient care and accreditation was introduced to the PGs.

On Second Day (6<sup>th</sup> October, 2020- Tuesday) Dr. Rahul Tanwani briefed his session on the importance of communication skills, the ice breaker being the PGs to introduce themselves to the entire session and also interact with the fellow PGs. This was an integral session as it becomes the utmost priority in healthcare for better communication skills. The second session of Day two was for learning the importance of Biochemistry in the field of dentistry and its whereabouts taken by Dr. Jaya Jain.

The third day (7<sup>th</sup> October, 2020) was elevated by Dr. Himanshu Kanungo by his session on Dental Clinical Photography for Post graduates. This particular session enhance was to enhance the knowledge of record keeping and how keeping good quality photographs play an important role in the life of post graduated. Excellent quality briefings and techniques were provided to the students. Since prescription writing is a mandate for good clinical practice Dr. PremNyati elaborated of what a good prescription is and also about pharmacovigilence.

On the very fourth day (8<sup>th</sup> October, 2020) it was important to know the interdisciplinary approach of the students and hence Dr. Rajeev Srivastava very particularly enlightened the students on how it is very important as dental professionals and also MDS students to have an amicable interdisciplinary approach involving all departments and to give the patient the best of healthcare we as a team can provide. During the course of Post graduation many a times students undergo stress which is not healthy for the well-being and hence Dr. Rolly S Agrawal gave an insight on stress management in difficult situations.

Dr. Rajeev  
Srivastava

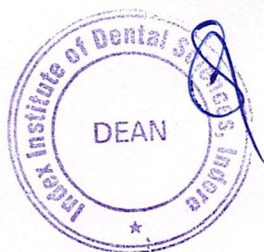

The fifth day (9<sup>th</sup> October, 2020) marked the day of DCI guidelines and curriculum by Dr. Magesh Kumar. A basic roadmap was drawn about the timelines in PG curriculum according to the DCI guidelines 2017. The purpose of doing a seminar/journal review and also regarding the thesis and research an introductory session was calibrated.

The next session was delivered by Dr. Navneet Agrawal talking about Professional Ethics. He briefed the newly admitted about how one's attitude should be rendered professionally and also gave various tips and tricks on following the ethical code of conduct. Thus with this marked the end of the orientation program enlightening students for the best of what future brings.

**Suggestions/ Comments recorded:**

1. A separate research methodology workshop can be conducted which includes the points related to selection of research topic.
2. More focus on hands on learning than power point presentations.
3. Please consider subject specific training programmes.
4. Overall good.
5. Please include a concise hard or soft copy on research methodology.
6. If possible modes of presentations other than power point can be used.
7. Practical examples could have been demonstrated about communication skills.
8. A separate research methodology workshop can be conducted which includes the points related to selection of research topic.
9. A tour of affiliated institutions on campus could also have been really helpful.

## Index Institute of Dental Sciences

### Report on PG Orientation & Training Programme – 2021

Post Graduate Orientation & training program was conducted by Index Institute of Dental Sciences for the newly admitted batch 2021 MDS post graduation students with the inauguration session on 11<sup>th</sup> December, 2021 followed by a series of enhancing lectures on different topics from 13<sup>th</sup> December 2021 to 18<sup>th</sup> December, 2021 in the Lecture hall no 1 of Index Institute of Dental Sciences, Malwanchal University, Indore. The objective was to provide the new students with detailed knowledge about the university system and courses.

The orientation kicked off with the very first day of inauguration where the event was graced by Chief guest Rajneesh Srivastava, Deputy Commissioner, Indore and Guest of Honour Dr. Deshraj Jain, Dean, Government Autonomous College of Dentistry, Indore.

On the inaugural day of the program, the students were oriented and encouraged to bring the best of them and to flourish drastically with the help of the institute in their particular specialties.

The students were addressed by our guest in such a way that they were motivated to do the best of for the patients and become remarkable dental professionals. The newly admitted PG students were also welcomed by the senior PG students and a road map for defined for these new budding Post Graduates.

Furthermore, the orientation was continued for individual topics and sessions planned as a six day program. First day (13<sup>th</sup> December, 2021- Monday) introduction to the Alma Mater was of utmost importance and hence the PGs were addressed by the Vice Chancellor of Malwanchal University Shri N. K. Tripathi about the university and its prospects. Next by Dr. Satish Karandikar on the do and don'ts as a PG in and outside the campus. The Dental ethics, hospital policies with respect to attendance, punctuality, how to behave and the rules and regulations were also briefed. The importance of patient care and accreditation was introduced to the PGs.

On Second Day (14<sup>th</sup> December, 2021- Tuesday) Dr. Rahul Tanwani briefed his session on the importance of communication skills, the ice breaker being the PGs to introduce

Indore (M.P.)

Dr. Rajeev Srivastava

themselves to the entire session and also interact with the fellow PGs. This was an integral session as it becomes the utmost priority in healthcare for better communication skills. The second session of Day two was for learning the importance of Biochemistry in the field of dentistry and its whereabouts taken by Dr. Jaya Jain.

The third day (15<sup>th</sup> December, 2021) was elevated by Dr. Himanshu Kanungo by his session on Photography for Post graduates. This particular session enhance was to enhance the knowledge of record keeping and how keeping good quality photographs play an important role in the life of post graduated. Excellent quality briefings and techniques were provided to the students. Since prescription writing is a mandate for good clinical practice Dr. Prem Nyati elaborated of what a good prescription is and also about pharmacovigilence.

On the very fourth day (16<sup>th</sup> December, 2021) it was important to know the interdisciplinary approach of the students and hence Dr. Rajeev Srivastava very particularly enlightened the students on how it is very important as dental professionals and also MDS students to have an amicable interdisciplinary approach involving all departments and to give the patient the best of healthcare we as a team can provide. During the course of Post graduation many a times students undergo stress which is not healthy for the well-being and hence Dr. Rolly S Agrawal gave an insight on stress management in difficult situations.

The fifth day (17<sup>th</sup> December, 2021) marked the day of DCI guidelines and curriculum by Dr. Magesh Kumar. A basic roadmap was drawn about the timelines in PG curriculum according to the DCI guidelines 2017. The purpose of doing a seminar/journal review and also regarding the thesis and research an introductory session was calibrated. Dr. Ramnath K. dealt with the topic of Biomedical Waste Management as it becomes integral to learn disposal of hazardous and contagious waste.

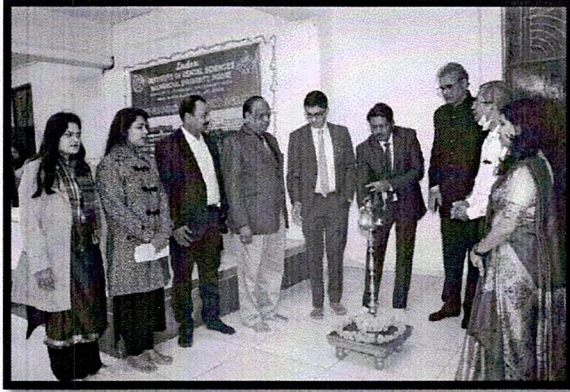

The sixth day (18<sup>th</sup> December, 2021) played a very important role for its session on Research methodology by Dr. Arora and further on the guidelines about the synopsis presentation of main dissertation. The next session was delivered by Dr. Navneet Agrawal talking about Professional Ethics. He briefed the newly admitted about how one's attitude should be rendered professionally and also gave various tips and tricks on following the ethical code of conduct. Thus with this marked the end of the orientation program embracing students on a new journey.

**Suggestions/ Comments recorded:**

1. A more elaborate tour of the campus could have been given.
2. The first part of photography session was too good, a second practical oriented session could have been conducted.
3. A session on how to search relevant articles could also have been conducted.
4. The cases shown in the inter disciplinary session were quite enlightening.
5. Practical examples could have been demonstrated about communication skills.
6. A separate research methodology workshop can be conducted which includes the points related to selection of research topic.
7. A tour of affiliated institutions on campus could also have been really helpful.
8. Duration spread over 6 days could be shortened to a couple of days.
9. 4<sup>th</sup> and 5<sup>th</sup> day proved to be very useful.
10. More focus on hands on learning than power point presentations.
11. Please consider subject specific training programmes.
12. Overall good.
13. Please include a concise hard or soft copy on research methodology.
14. If possible modes of presentations other than power point can be used.
